Your coronavirus (COVID-19) test result is negative. It is likely you did not have the virus when the test was done.

You are not required to quarantine.

You should self-isolate again if you get symptoms of coronavirus (COVID-19) – get an NHS coronavirus (COVID-19) test from www.gov.uk/get-coronavirus-test and self-isolate until you get the results.

For advice on when you might need to self-isolate and what to do, go to www.nhs.uk/conditions/coronavirus-covid-19 and read 'Self-isolation and treating symptoms'.
